

## The “Do The Right Thing” Program

The Oberlin Police Department is proud to announce that beginning April 1, 2006 the department will take part in the “Do The Right Thing” Program. “Do The Right Thing” is a national non-profit organization dedicated to recognizing and rewarding school –age youths for positive accomplishments, behavior and good deeds. The program ensures that young people are not only rewarded for ‘doing the right thing’ but also publicly recognized as role models for their peers. Everyone needs to be recognized now and then for doing something good. That is exactly what “Do The Right Thing” is all about.

With the assistance of a selection committee, one student will be chosen as a monthly winner with a top winner chosen every three months. Winners are invited to a ceremony with the Chief of Police and awarded a plaque of recognition along with gift prize(s).

Nomination forms can be picked up at the Oberlin Police Department, the Oberlin Public Library and any of one of the Oberlin Public Schools.

For more information regarding this program please contact the following:
