

## **City of Oberlin Police Department Recognized for Excellence in Policy & Training**

OBERLIN, OHIO – (March 22, 2021) – The City of Oberlin is pleased to announce that the Oberlin Police Department has achieved Gold level status for excellence in policy maintenance and training through the Lexipol Connect Program. This is the highest level of recognition in the Connect Program. OPD has been recognized for consistently and effectively disseminating policies to patrol officers, issuing timely policy updates as laws change, and ensuring that officers are trained on policies.

The Oberlin Police Department utilizes [Lexipol](#), the nation’s leading content, policy and training platform for public safety agencies, as a means to maintain comprehensive and up-to-date policies based on best practices. Lexipol’s Connect Program tracks the Oberlin Police Department’s performance on five metrics proven to measure success in policy management: policies issued; updates pending; Daily Training Bulletins (DTBs) issued, policies acknowledged and DTBs taken. Achieving Gold Status indicates that the Oberlin Police Department has demonstrated excellence in each of these areas.

Maintaining up-to-date policies and ongoing training are priorities for the Oberlin Police Department and achieving excellence in policy maintenance and training enhances community safety by ensuring consistent and effective response based on best practices. The Oberlin Police Department is honored to be recognized in this manner for its continued commitment to serving the Oberlin community.
